Come si può saltare fuori dal nulla, piombare nell'universo musicale squassandolo dalle fondamenta e diventare una stella di prima grandezza del panorama rock moderno?Già, perché oggi i Coldplay sono dappertutto: sono nelle canzoni che canticchiamo al risveglio; sono nella musica che inonda le radio; sono nei luoghi più remoti e negli stadi più infuocati. Questa è la storia di Chris, Will, Guy e Jonny: quattro amici, quattro ragazzi semplici che in poco più di dieci anni sono stati capaci di imporre il loro marchio indelebile sulla musica del nuovo millennio. Il 'musicologo' Fabrizio Sandrini traccia la parabola dei Coldplay e li segue partendo dagli esordi e arrivando fino all'ultimo disco Mylo Xyloto . Dall'esplosione planetaria con la hit Yellow alle collaborazioni con Brian Eno di Viva La Vida, passando per show leggendari, rapporti sentimentali paparazzati, impegno sociale, critiche, accuse di plagio, fan adoranti e milioni di dischi venduti. Questi sono i Coldplay, e questa è la loro storia.

Nobody knows don t ever say you re on your way down when god gave you style and gave you grace and put a smile upon your face ah yeah ah when you work it out i m worse than you yeah when you work it out i want it to ah when you work out where to draw the line your guess is as good as mine it s as good as mine it s as
