"Reseña del editor Inspired by Psalm 103, Matt Redman's ""10,000 Reasons"" is a universally beloved worship ballad that's sung in churches throughout the world. This piano/vocal/guitar sheet music is published in the key of the artist's popular original recording, with a piano part that lets pianists faithfully recreate the accompaniment as it sounds on the album, so it's perfect for accompanying a vocalist or congregation. Complete lyrics and vocal melody are included, along with basic chord fingering grids for optional guitar accompaniment."
