This is the story of the first transcontinental railroad; the greatest, most daring engineering effort the country had yet seen. The time was the 1860s. Imagine the task. -David McCulloch Through a series of mergers, Union Pacific, grew into the most powerful railway in North America and has upheld that status to present day. This large format wall calendar features grids with ample room for jotting notes and begins with six bonus months of July through December of 2019. Also included are moon phases (CST), along with U.S. and international holidays.
