Sugar and Spice...not everyone's nice. In the deliciously entertaining conclusion to the L.A. Candy series, *New York Times* bestselling author and star of the hit TV show *The Hills* Lauren Conrad pulls back the curtain on young Hollywood and shows that sometimes the real drama is behind the scenes. Fresh from being betrayed by one of her closest friends, new reality-TV celebrity Jane Roberts has learned a few lessons. Most important: know who to trust. And in Hollywood, that list is short. Although the press is intent on creating a tabloid war between her and ex-friend, current-costar Madison Parker, Jane just wants to take control of her life. She's started by swearing off guys and the drama that comes with them. But when her high school sweetheart Caleb and her unrequited L.A. crush Braden show up, both acting sweeter than ever, Jane has a hard time remembering her no-boys rule....Her best friend, Scarlett, has only one guy on her mind: her new boyfriend, Liam. The girl who once thought love was a four-letter word is now head over heels. The problem is, being on a hit reality show means hanging out with other guys on-camera, and Liam isn't too happy with pretending to play a bit part in her love life. Just when everything feels out of control, Jane makes a shocking discovery—one that changes everyone's definition of "reality" forever.
