One choice can destroy you. Veronica Roth's second #1 *New York Times* bestseller continues the dystopian thrill ride that began in *Divergent*. A hit with both teen and adult readers, *Insurgent* is the action-packed, emotional adventure that inspired the major motion picture starring Shailene Woodley, Theo James, Ansel Elgort, and Octavia Spencer. As war surges in the factions of dystopian Chicago all around her, Tris attempts to save those she loves—and herself—while grappling with haunting questions of grief and forgiveness, identity and loyalty, politics and love. **And don't miss *The Fates Divide*, Veronica Roth's powerful sequel to the bestselling *Carve the Mark!***

Packed full of action danger and underlying conflict the second book in roth s divergent trilogy revolves around rebellion betrayal guilt grief fiveness friendship love and sacrifice even though i knew what was going to happen the amount of detail and worldbuilding found in the book
