"Pressestimmen ?Extraordinary. . . . A master nature writer.? ?The New York Times Book Review?One of those landmark works of travel writing.? ?The New Yorker?Dazzling. . . . Treats the distant, snowy world of the Arctic as a place that exists not only in the mathematics of geography but also in the terra incognita of our imaginations.? ?Michiko Kakutani, The New York Times ?Lopez is. . .the most important living writer about wilderness. . . . [Arctic Dreams is] his masterpiece.? ?The Guardian Klappentext s National Book Award-winning classic study of the Far North is widely considered his masterpiece.Lopez offers a thorough examination of this obscure world-its terrain, its wildlife, its history of Eskimo natives and intrepid explorers who have arrived on their icy shores. But what turns this marvelous work of natural history into a breathtaking study of profound originality is his unique meditation on how the landscape can shape our imagination, desires, and dreams. Its prose as hauntingly pure as the land it describes, **Arctic Dreams** is nothing less than an indelible classic of modern literature. Alle Produktbeschreibungen"
