Ethiopia landlocked country on the horn of africa the largest and most populous country in that region it lies pletely within the tropical latitudes the capital is addis ababa new fl, introduction this paper provides an elementary treatment of linear algebra that is suitable for students in their freshman or sophomore year calculus is not a prerequisite the aim in writing this paper is to present the fundamentals

of linear algebra, Ethiopia's population is highly diverse with different languages and ethnic groups. Most of its people speak an ethiosemitic or cushitic language which are both part of the afroasiatic language family while others speak nilo saharan languages. The oromo, amhara, somali, and tigrayans make up more than three quarters (75%) of the population but.
