"Buchrückseite Jenna Miscavige Hill was raised to obey. As the niece of the Church of Scientology's leader David Miscavige, she grew up at the center of this highly controversial and powerful organization. But at twenty-one Jenna made a daring break from Scientology. Now she speaks out about her life, the Church, and her dramatic escape, piercing the veil of secrecy that has long shrouded this world. Jenna reveals unprecedented insider knowledge of the religion, its obscure rituals, and its mysterious leader. From her prolonged separation from her parents as a child to her lack of personal freedoms to the organization's emphasis on celebrity recruitment, Jenna goes behind the scenes of Scientology's oppressive and alienating culture. Yet it is only when her family approaches dissolution that she is finally able to see the psychological control that has ruled her life. Faced with a heartbreaking choice, she details how she made a courageous escape, but not before being put through the ultimate test of family, faith, and love. At once captivating and disturbing, *Beyond Belief* is an eye-opening exploration of the limits of religion and the lengths to which one woman went to break free. Über den Autor und weitere Mitwirkende Jenna Miscavige Hill was raised as a Scientologist. Since leaving the organization in 2005, she cofounded the website [www.exscientologykids.com](http://www.exscientologykids.com), which features the stories of current and former Scientologists and supports those who choose to leave the organization. She lives in Southern California. Lisa Pulitzer is a former correspondent for the *New York Times* and coauthor of more than a dozen nonfiction titles, including the *New York Times* bestsellers *Stolen Innocence*, *Imperfect Justice*, and *Mob Daughter*."
