"History established the pattern through world floods, Egyptian plagues, tribulations of all kinds. God leads his people through life's disasters, not around them. First the Antichrist rejects the pretribulation rapture scenario that God will open an escape route so Christians will be spared persecution. Rather, in a complex chain of events Christ will gather the church out of the world only after seven years of intense suffering, when Christ returns to rule. In this close study of church history and debated Bible texts, Bob Gundry shows that the pretribulation rapture is a recent innovation. It is wishful thinking that came to grab the pre-millennial spotlight. But serious scholars are backing away. It just doesn't accord with what the Bible says. In First the Antichrist, Gundry lays out a more biblical (and accurate) picture. First the Antichrist is a much needed contribution to apocryphal and pre-millennial prophecy studies."--Midwest Book Review

The identity of the antichrist has long been a source of both debate and anxiety for christians the bible warns th

But why do historians routinely assume that sources like this must mean the antichrist even to the point of putting the in corrective brackets the author meant to say downfall of antichrist not downfall of the antichrist it, at some point during the first half of that 7 year period likely right at the halfway point the antichrist will receive a mortal wound he might even die but he will seemingly e back from the dead and offer h, this refers to type and anti type why is it then that an american president won't be the antichrist in the visions of daniel the bible talks about a little horn seemingly insignificant that will take the world by surprise and conquer th.
