Just because something looks impossible doesn’t mean that it is. Artist and educator, Jennifer Zimmermann, knows how to make the complicated simple! In this newest volume, Jennifer walks you through eye-popping yet surprisingly achievable tutorials each step of the way. Perhaps you need further instruction on lighting and shadows? Want to know how to make leather look real or to learn the differences between something matte vs. something glossy? How about coloring something transparent vs. opaque? How to color GREYSCALE pages? It’s all in the book!There are ingenious time saving hacks...and ideas to save you money in the long run. You’ll also find suggestions about advanced blending techniques. Read up on choosing colored pencils – even the newest brands and what colorists prefer. There are even color conversions to Prismacolor charts for some popular and more affordable brands of pencils.Are you looking for creative ideas about color schemes? Or how about ways to fill in backgrounds, using only basic supplies? Do you need more instruction on various skin tones and portraits? There are so many tutorials in this book...Animals & Insects, Flowers & Plants, Mushrooms, Skin Tones, Eyes, Theatrical Portrait Tips, Candy, Boots in different styles and fabrics and GREYSCALE Coloring! In addition to all of the tips and tutorials you will find 15 single-sided practice, line art and greyscale pages that coordinate! As a special gift (for a limited time) you will have exclusive access to **BONUS PDF** download pages!The Secrets of Coloring 2 is a book for everyone – beginners and beyond so that you can achieve your creative goals! Happy
