The goal of The Quaint and Quizzical Cosmos rhyming series is to introduce deep human history to kids in a fun and whimsical way. This third book, The Quaint and Quizzical Cosmos: Planets, portrays the Earth as our spaceship and gives life to the idea that we may not be the only living creatures in the universe! These books are meant to stimulate curiosity about the natural world, not teach technical scientific concepts. The intention of The Quaint and Quizzical Cosmos series is to start a conversation about science and spark ambitious questions.
