"Recensione ""The kids were in hysterics reading this book. . . The story is really easy to read and builds up to a dramatic boom with Dinosaur. It will definitely keep children of all ages engaged and wanting to read it again and again. The illustrations are great."" (www.yummymummyflabbytummy.co.uk)""It's a great book for reading aloud to little ones . . . I highly recommend it for kids aged two and up."" (Jennifer Muirhead www.weekendnotes.com) Dalla seconda/terza di copertina N/A L'autore **Tom Fletcher (Author) Tom Fletcher** is one of the UK's bestselling authors for children. He is the creator of The Christmasaurus, which was the biggest debut middle-grade novel of 2016, as well as being one half of the duo behind the Dinosaur That Pooped picture book series, which has sold over a million copies. Tom is also a musician, Guinness World Record holder and vlogger. His YouTube channel has had almost 100 million video views and 630 thousand subscribers. Tom's books have been translated into thirty-two languages and his most recent is called There's A Dragon in Your Book.**Dougie Poynter (Author) Dougie Poynter** has been obsessed with dinosaurs ever since visiting the Natural History Museum when he was about three. He is passionate about the natural world and a keen conservationist, working with charities such as WWF and Greenpeace to get harmful products banned and to clean up the planet.Dougie wrote songs together with **Tom Fletcher** for years in bands McFly and McBusted; they now write their bestselling Dinosaur that Pooped books in the same way that they write their song lyrics. The books have sold **over a million copies!****Garry Parsons (Illustrator) Garry Parsons** is an award-winning illustrator of books for children, including the bestselling The Dinosaur That Pooped series. Garry's illustrations have accompanied the words of many prestigious picture-book authors, including Kes Gray, Ian Whybrow and Peter Bently. He has also illustrated the popular fiction series The Dragonsitter by Josh Lacey and the space adventure series George's Secret Key to the Universe by Lucy and Stephen Hawking for slightly older readers. Garry lives in London with his young family and old dog."
