As the phoenix emerges from its ashes, Zebian emerges ablaze in this book, not only as a survivor of abuse, but as a teacher and healer for all those who have struggled to understand, reclaim, and rise above a history of pain. She tells her story in six stages: Falling, Burning to Ashes, Sparks of Phoenix, Rising, Soaring, and finally, A New Chapter, which demonstrates a healthy response to new love as the result of authentic healing. With her characteristic vulnerability, courage, and softness, Zebian seeks to empower those who have been made to feel ashamed, silenced, or afraid; she urges them, through gentle advice and personal revelation, to raise their voices, rise up, and soar.
