If you're ready to take your Spanish to the next level without having to relocate to a Spanish speaking country for months - or even years - then keep reading....There are lots of programs on the market masquerading as "advanced Spanish programs." After completing them, you'll find that your ability to speak conversational Spanish has improved very little, if at all, and that you're still stuck on the same plateau. If you're on an advanced-level - or even if you're on an intermediate level seeking to breakthrough to an advanced level - you have special Spanish needs, such as: Improving your Spanish pronunciation and Latin American Spanish accent Mastering advanced grammar topics Learning advanced vocabulary Fine-tuning your listening comprehension for fast-speaking native speakers There was a time when you'd have to spend hundreds or even thousands of dollars on private Spanish lessons or relocate to Latin America for several years in order to master these areas of Spanish. But with the advent of Learning Spanish Like Crazy Level 3, that's no longer the case. This program will allow you to move several steps closer to achieving your goal of Spanish fluency. This is what's included: Nearly 20 hours of recorded authentic Latin American advanced audio Spanish lessons Core program has 35 lessons - each one lasting about 30 minutes FOUR Bonus Lessons to master conversational Spanish (Bonus Lessons A to D) An EXTRA FOUR MORE bonus-gift lessons covering Spanish prepositions Por vs. Para PDF transcripts to all lessons Only native Spanish-speaking voice actors so you develop an authentic Latin American accent And most importantly, the same engaging and interactive Learning Spanish Like Crazy method which has empowered tens of thousands to speak real conversational Latin American Spanish WITH CONFIDENCE. To take your conversational Spanish to the next level, this is what you need to do now: buy this audiobook now! **PLEASE NOTE: When you purchase this title, the accompanying PDF will be available in your Audible Library along with the audio.**
