"Pressestimmen ?The Opies, professors of literature and essentially folklorists, did something path-breaking: they observed children and took their play seriously?The Lore and Language of Schoolchildren reminds us that children are their own beings who create and navigate complicated social worlds, and the way they do so is worthy of respect and understanding.? ?Hilary Levey Friedman, Brain, Child Magazine Synopsis First published in 1959, The Lore and Language of Schoolchildren is a pathbreaking work of scholarship that is also a splendid and enduring work of literature. Going outside the nursery, with its assortment of parent approved entertainments, to observe and investigate the day-to-day creative intelligence and activities of children, the Opies bring to life the rites and rhymes, jokes and jeers, laws, games, and secret spells of what has been called 'the greatest of savage tribes, and the only one which shows no signs of dying out.' Iona and Peter Opie were folklorists who pioneered the study of childhood culture past and present in Britain. They were well known for their many classic books including the Oxford Dictionary of Nursery Rhymes (1951), *The Lore and Language of Schoolchildren* (1959), *Children's Games in Street and Playground* (1969), and *The Classic*, celebrating 60 years of the *Lore and Language of Schoolchildren*. On 20 November 2019, we recently hosted a half-day conference in our Oxford office to celebrate 60 years of our title *The Lore and Language of Schoolchildren* by Iona and Peter Opie, which was first published in November 1959. The book broke, Iona and Peter Opie, Iona Archibald Opie, CBE, FBA, born 13 Oct.

**City Lore's founder Dr Steve Zeitlin has said that City Lore has an open mission to document and present New York City and America's living cultural heritage. Living cultural heritage used by folklorists to suggest the documentation, interpretation, and presentation of traditions within living memory, as opposed to events that predate living memory.**

For nearly forty years, Iona Opie worked with her husband Peter on a notable series of books on the traditional lore of childhood among them *Children's Games in Street and Playground*, *The Singing Game*, and *The Lore and Language of Schoolchildren*. As part of her fieldwork, she visited a local school playground. Iona and Peter Opie were folklorists who pioneered the study of childhood culture past and present in Britain. They were well known for their many classic books including the Oxford Dictionary of Nursery Rhymes (1951), *The Lore and Language of Schoolchildren* (1959), *Children's Games in Street and Playground* (1969), and *The Classic*. The Opie Collection of Children's Games and Songs is a set of recordings made by Iona Opie between 1969 and 1983. Iona and her husband Peter dedicated their working lives to documenting children's play, folklore, language, and literature and published seven.
