*It's a family reunion in the era of American tribal politics, and what could go wrong? Plenty, including murder, when the Callahan clan convenes at a New England country inn and one of the most politically outspoken relatives is the victim of a bizarre poisoning. Timothy Callahan and his long-time spouse, Albany PI Don Strachey, contend not just with dampened spirits but with injustice when a misguided local cop zeroes in on an innocent Callahan. PI Strachey has to unearth a complicated family's hidden history, nail the real killer, and expose an act of long-contained violent rage in this disturbing tale of the way we live now.*
