Welcome to the third part of my RS232 serial communication tutorial Till now we saw the basics of RS232 communication and made our level converter Now its time to understand the USART of AVR microcontroller

Microcontroller PIC Projects are categorized on the basis of microcontroller applications Microchip pic microcontrollers belongs to modern family of MCUs and is being used widely in our daily life seem less manners e g in our multimedia devices tele phones microwave ovens med, Welcome to the third part of my RS232 serial communication tutorial Till now we saw the basics of RS232 communication and made our level converter Now its time to understand the USART of AVR microcontroller, In Lab 12 we learned about the basic structure of a monochrome single color LED dot ma.
