Once upon a time, Boston's best player **scored** -- and never even knew it. Can **bad boys** become **good daddies**? Nashville nursing student Paige McMillan only wanted to get over a cheating ex. But a few sinful hours with a tall, muscular bad boy left the good girl with a **lifetime of responsibility** -- and no idea who her adorable daughter's father really is. Love him or hate him, hockey superstar Lance Couture makes no apologies for being the best -- or for living life to its fullest. He's hot, rich, and girls can't get enough of him. Why would a player like him ever settle down? When a pro hockey team comes to town, Paige spots a familiar face in the most unlikely place: on the ice. The father of her daughter is Lance Couture, star of the Boston Brawlers. But the pro athlete isn't interested in talking about lost time. He'd rather replay their steamy one-night affair -- and his lips and tongue are oh so seductive ... Can Paige resist the hockey hunk's advances and tell him the truth? Can Lance's career survive another off-ice controversy? Is there hope for a happy little hockey family? **Ice Daddy** is a 60,000 word **secret baby** hockey romance! This standalone novel is the second entry in the Boston Brawlers series. No cheating, no cliffhanger, HEA always guaranteed!
