"Über den Autor und weitere Mitwirkende After earning a Ph.D. in Islamic history, Mark A. Gabriel became convinced that Muhammad did not speak for God. His search for truth led to the love of Jesus Christ, as well as complete rejection from his family and two attempts against his life by political fundamentalists. Now pursuing a Ph.D. in world religion at a Christian university, he speaks and writes about the true nature of Islam with the non-emotional accuracy of an academician. As a reflection of his new life in Christ, he has chosen a Christian name to replace his Islamic name."
