The number one *New York Times* best-selling sequel to *A Discovery of Witches*, book two of the *All Souls Trilogy* - "as enchanting, engrossing, and impossible to put down as its predecessor" (*Miami Herald*) Look for the hit series *A Discovery of Witches* streaming on Sundance Now and Shudder and coming to television this April on AMC and BBC America. J. K. Rowling, Stephenie Meyer, Anne Rice - only a few writers capture the imagination the way that Deborah Harkness has with her *New York Times* best-selling *All Souls* trilogy. *A Discovery of Witches* introduces reluctant witch Diana Bishop, vampire geneticist Matthew Clairmont, and the battle for a lost, enchanted manuscript known as Ashmole 782. Picking up from *A Discovery of Witches*' cliffhanger ending, *Shadow of Night* takes Diana and Matthew on a trip through time to Elizabethan London, where they are plunged into a world of spies, magic, and a coterie of Matthew's old friends, the School of Night. As the search for Ashmole 782 deepens and Diana seeks out a witch to tutor her in magic, the net of Matthew's past tightens around them, and they embark on a very different - and vastly more dangerous - journey.

About shadow of night the 1 new york times bestselling sequel to a discovery of witches book two of the all souls series as enchanting engrossing and impossible to put down as its predecessor miami herald look for the hit tv series a discovery of w
