"Reseña del editor A brand-new biography series featuring some of the most important people from history and today. I am one of the most gifted minds that ever lived. I am a Nobel Prize-winning physicist. I was expelled from school as a young child. I am Albert Einstein. Learn all about this brilliant man, whose accomplishments are truly remarkable in the debut of Scholastic's new biography series: I Am. The series will feature full-color illustrated covers, one-color illustrations throughout, a timeline, an introduction to the people you'll meet in the book, maps, sidebars, and a top ten list of important things to know at the end of every book. Biografía del autor Grace Norwich has written many books for young readers on a variety of topics, including health, fashion, animals, and more. She lives in Brooklyn, New York. Ute Simon is an award-winning artist who has illustrated over two dozen books for children. She lives in Los Angeles, California, but you can visit her at www.illustratrix.com."

Even when he was a kid albert einstein did things his own way he thought in pictures instead of words and his special way of thinking helped him understand big ideas like the structure of music and why a pass always poin
