"Klappentext Highly creative people are good at seeing connections. By enhancing your ability to see connections, you can enhance your creativity. Based on this observation, a solid theory and the latest neuroscience, this exercise book is for people who want to become better creative thinkers. It's a creative workbook jam-packed with activities, fun challenges, and exercises designed to enhance your creativity. The idea is simple. When you train your ability to see and make connections, you strengthen the underlying mechanism that helps you to think creatively. You can train your brain. Just like you can train your muscles. No matter at what level you are when you start, you can become a better creative thinker. It's all down to practice. After the training you will find it easier to come up with fresh ideas, novel concepts, breakthrough thinking, and innovative solutions when faced with challenges that call for new thinking, whether that be in business or in life. This book gives you: 40 exercises to enhance your creativity Insights into connection making Hands-on training in generating original ideas Creative cross training to boost your brain Hours of fun Buchrückseite Highly creative people are good at seeing connections.
