"Pressestimmen 'The wholesome story and quirky characters make this a great read-aloud...Nordqvist uses saturated colors, clean lines, and a million tiny details to bring the story to life.'-School Library Journal, Sally James'The expressive ink drawings, washed with bright colors, are full of lively details.'-Booklist, Carolyn Phelan'Nordqvist's illustrations are packed with inviting detail, and Pettson and Findus's testy but tender relationship is as enjoyable as the broad, goofy humor that runs through the story.'-Publishers Weekly' Über den Autor und weitere Mitwirkende Sven Nordqvist (b. 1946) is a leading Swedish children's illustrator and writer. The Findus and Pettson stories draw on his playful adventures with his two young sons. His unique illustrations are inspired by the delights of everyday life."
