Echo Heron presents riveting and unforgettable narratives from emergency room nurses across the nation. EMERGENCY 24/7: Nurses of the Emergency Room, portrays thirty-one nurses, each with a distinctive voice and unique view of what really goes on behind the closed doors of the secret and chaotic world of the emergency room. Also included are the moment-by-moment chronicles of eleven nurses who worked in New York City and Washington, D.C., on September 11, 2001. These compelling accounts give new perspectives on the horrors and heroics of that tragic day. Ranging from inspiring to heart-rending to outrageously funny, these gripping narratives make EMERGENCY 24/7 a fascinating and provocative book—a fitting tribute to the frontline nurses.

A triage nurse in a busy emergency department assesses a patient who complains of 6-10 abdominal pain and states he had a temperature of 104.6° f / 40.3° c at home the nurse's first action should be to tell the patient that it may be severe
