218 pages, 200 illustrations, size 5.5 x 8.5 inches. Originally published in the USA under the same title in 1961 by Floyd Clymer, this is a faithful reproduction of the original. This is not a step-by-step restoration manual; it is more a compilation of significant data that would be a critical part of the restoration process. It includes 45 pages of official Ford service bulletins plus complete technical data, body and chassis dimensions, paint and interior colors, specifications, maintenance and repair information - all of which would be of assistance in the restoration, repair, overhaul and maintenance of the MODEL A Ford automobile. This is a 'must have' reference for any MODEL A enthusiast and would certainly assist in helping any potential purchaser better understand the inner workings prior to purchasing one of these classic automobiles. This truly historical document of the glory years of Ford has been out-of-print for many years. We are pleased to be able to offer this reproduction as a service to all MODEL A enthusiasts worldwide.
