"Pressestimmen The running headings at the top of the page enable readers to tell easily which Schedule to an Act they are looking at - this is what marks out the Blackstone series from its competitors. * Nigel Furey, Teaching Fellow, University of Bristol * With their reputation for accuracy and expertly-selected legislation, the Blackstone's Statutes have been well-received by students for decades. * Chris Bevan, Assistant Professor in Property Law, University of Nottingham * As all the books in the Blackstone's Series take a similar approach to layout and structure I find it easy to locate the document I need, whichever area of law I'm studying. * Iliyana Dimitrova, Diploma in Professional Legal Studies student at the University of Edinburgh * The Blackstone's series, with their unannotated content, are an excellent resource for students during their exams. * Colin Moore, Associate Lecturer, Kent Law School * With an excellent selection of statutes and a clean, accessible layout, Blackstone's have long been the go-to series for statute books. * Lee Roach, Senior Lecturer in Law, University of Portsmouth * Über den Autor und weitere Mitwirkende Richard Kidner is

Emeritus Professor of Law at Aberystwyth University. He has over 40 years' experience teaching, examining, and researching in employment law, and has published widely in the field."
