"Críticas ""It?s **one of the most vivid and convincing portraits of contemporary America I?ve read.**" (Alex Preston Observer, Book of the Year)""**[A] complex and witty fable** ? Rushdie has always been an impish myth-manipulator, refusing to accept, as in this novel, that the lives of the emperors can?t be blended with film noir, popular culture and crime caper. On the evidence of The Golden House, he is quite right." (Alex Clark Observer)""**Unruly but exuberant?** Much of the success of The Golden House, in fact, lies in its humour and in the vigour of its storytelling? There is **a glowing energy to the prose that makes this Rushdie?s most enjoyable, mischievous and American of novels.**" (Arifa Akbar Financial Times)""**Intelligent and darkly funny...with a raw political edge.**" (Robert Douglas-Fairhurst The Times)""Rushdie writes with **a Dickensian exuberance, always full of humour as well as striking scornful, tragic notes.** Often he plays the role of satirist. His caricatures and outsize figures are **full of life, wickedness and human energy:** again, as in Dickens, grounded in a precise social and political scene." (Jereme Boyd Maunsell Evening Standard) Reseña del editor **\*\*New York Times bestseller\*\*A Guardian / Observer Book of the Year**When powerful real-estate tycoon Nero Golden immigrates to the States under mysterious circumstances, he and his three adult children assume new identities, taking 'Roman' names, and move into a grand mansion in downtown Manhattan. Arriving shortly after the inauguration of Barack Obama, he and his sons, each extraordinary in his own right, quickly establish themselves at the apex of New York society.The story of the Golden family is told from the point of view of their Manhattanite neighbour and confidant, René, an aspiring filmmaker who finds in the Goldens the perfect subject. René chronicles the undoing of the house of Golden: the high life of money, of art and fashion, a sibling quarrel, an unexpected

metamorphosis, the arrival of a beautiful woman, betrayal and murder, and far away, in their abandoned homeland, some decent intelligence work. Invoking literature, pop culture, and the cinema, Rushdie spins the story of the American zeitgeist over the last eight years, hitting every beat: the rise of the birther movement, the Tea Party, Gamergate and identity politics; the backlash against political correctness; the ascendancy of the superhero movie, and, of course, the insurgence of a ruthlessly ambitious, narcissistic, media-savvy villain wearing make-up and with coloured hair. In a new world order of alternative truths, Salman Rushdie has written the ultimate novel about identity, truth, terror and lies. A brilliant, heartbreaking realist novel that is not only uncannily prescient but shows one of the world's greatest storytellers working at the height of his powers.

**Nota de la solapa** The story of the Golden family is told from the point of view of their Manhattanite neighbour and confidant, René, an aspiring filmmaker who finds in the Golden family the perfect subject. René chronicles the undoing of the house of Golden: the high life of money, of art and fashion, a sibling quarrel, an unexpected metamorphosis, the arrival of a beautiful woman, betrayal and murder, and far away, in their abandoned homeland, some decent intelligence work. Invoking literature, pop culture, and the cinema, Rushdie spins the story of the American zeitgeist over the last eight years, hitting every beat: the rise of the birther movement, the Tea Party, Gamergate and identity politics; the backlash against political correctness; the ascendancy of the superhero movie, and, of course, the insurgence of a ruthlessly ambitious, narcissistic, media-savvy villain wearing make-up and with coloured hair. In a new world order of alternative truths, Salman Rushdie has written the ultimate novel about identity, truth, terror and lies. A brilliant, heartbreaking realist novel that is not only uncannily prescient but shows one of the world's greatest storytellers working at the height of his powers.

**Contraportada** The story of the Golden family is told from the point of view of their Manhattanite neighbour and confidant, René, an aspiring filmmaker who finds in the Golden family the perfect subject. René chronicles the undoing of the house of Golden: the high life of money, of art and fashion, a sibling quarrel, an unexpected metamorphosis, the arrival of a beautiful woman, betrayal and murder, and far away, in their abandoned homeland, some decent intelligence work. Invoking literature, pop culture, and the cinema, Rushdie spins the story of the American zeitgeist over the last eight years, hitting every beat: the rise of the birther movement, the Tea Party, Gamergate and identity politics; the backlash against political correctness; the ascendancy of the superhero movie, and, of course, the insurgence of a ruthlessly ambitious, narcissistic, media-savvy villain wearing make-up and with coloured hair. In a new world order of alternative truths, Salman Rushdie has written the ultimate novel about identity, truth, terror and lies. A brilliant, heartbreaking realist novel that is not only uncannily prescient but shows one of the world's greatest storytellers working at the height of his powers.

**Biografía del autor** **Salman Rushdie** is the author of thirteen previous novels ? Grimus, Midnight's Children (for which he won the Booker Prize and the Best of the

Booker), Shame, The Satanic Verses, Haroun and the Sea of Stories, The Moor's Last Sigh, The Ground Beneath Her Feet, Fury, Shalimar the Clown, The Enchantress of Florence, Luka and the Fire of Life, Two Years, Eight Months, and Twenty-Eight Nights, and The Golden House ? and one collection of short stories: East, West. He has also published four works of non-fiction ? Joseph Anton, The Jaguar Smile, Imaginary Homelands, and Step Across This Line ? and co-edited two anthologies, Mirrorwork and Best American Short Stories 2008. He is a member of the American Academy of Arts and Letters and a Distinguished Writer in Residence at New York University. A former president of PEN American Center, Rushdie was knighted in 2007 for services to literature."
