"Pressestimmen [Buttigieg] has an extraordinary story and great insights into the politics of our country.--David AxelrodPete Buttigieg has given more to his community and country before his 40th birthday than most of us do over the course of our lives. At every crossroads, he has turned towards service and leveraged his energy and intellect to help his neighbors and fellow citizens. In this book, you will not only learn about what brings Pete home, but what drives him towards his vision of a better, kinder nation.--Joe Kennedy IIIIn this uplifting coming-of-age memoir from the American heartland, Pete Buttigieg, successful mayor of revitalized South Bend, Indiana, writes that the shortest distance between opportunity and success, 'like good literature, takes personal lived experience as its starting point'--a promising axiom for a prospective national figure.--David Levering LewisReaders will find telling insights into the events that shaped Buttigieg's biggest decisions and share a typical day in the mayor's office; relive Buttigieg's tour of duty in Afghanistan (while he was still acting mayor); and understand his angst over being a young, gay public figure trying to get a date (spoiler alert: there's a happy ending!). First and foremost a great, engaging read, this is also an inspiring story of a millennial making a difference.--Kathleen McBroom, Booklist [starred review]Personal, beguiling and quite moving as he talks about coming out and getting married... The story is told with brisk engagement -- it is difficult not to like him...When Obama wrote his memoir, the idea that the nation would soon put an African-American in the White House seemed beyond the realm of the possible. After reading this memoir written 25 years later, the notion that Buttigieg might be the nation's first openly gay president doesn't feel quite as far-fetched.--Adam Nagourney, New York Times Über den Autor und weitere Mitwirkende Pete Buttigieg, born in Indiana in 1982, is currently serving his second term as mayor of South Bend. A dynamic national lecturer and TEDx speaker, as well as a Rhodes Scholar and Navy veteran, Buttigieg was educated at Harvard and Oxford. He and his husband, Chasten Glezman, live in South Bend, Indiana."
