"Críticas ""Brilliant . . . Hanna's Daughters outlines the lives of three generations of women and their complicated relationships with one another."--**USA Today** ""I loved Hanna's Daughters from the very first page, and I absolutely could not put it down. . . . Written with grace and wit, this novel deserves to be read, discussed, and cherished by future generations of mothers and daughters."--**Judith Guest, author of Ordinary People and Errands** ""An uplifting family saga . . . Fredriksson provides a satisfyingly complex . . . chronicle of women and the burdens imposed by their family history, their gender and themselves. . . . Its message of reconciliation is transcendent."--**People** Reseña del editor A Swedish writer chronicles more than a century in the lives of three extraordinary women against the background of the unforgiving Swedish countryside, in an evocative novel that captures the contributions of women to Scandinavian history. Reprint. Nota de la solapa Sweeping through one hundred years of Scandinavian history, this luminous story follows three generations of Swedish women--a grandmother, a mother, and a daughter--whose lives are linked through a century of great love and great loss. Resonating with truth and revelation, this moving novel deftly explores the often difficult but enduring ties between mothers and daughters, the sacrifices, compromises, and rewards in the relationships between men and women, and the patterns of emotion that repeat themselves through generations. If you have ever wanted to connect with the past, or rediscover family, Hanna's Daughters will strike a chord in your heart. . . . Contraportada Sweeping through one hundred years of Scandinavian

history, this luminous story follows three generations of Swedish women -- a grandmother, a mother, and a daughter -- whose lives are linked through a century of great love and great loss. Resonating with truth and revelation, this moving novel deftly explores the often difficult but enduring ties between mothers and daughters, the sacrifices, compromises, and rewards in the relationships between men and women, and the patterns of emotion that repeat themselves through generations. If you have ever wanted to connect with the past, or rediscover family, Hanna's Daughters will strike a chord in your heart. . . . Biografía del autor **Marianne Fredriksson**'s novels have sold more than two million copies in her native Sweden. She is the bestselling author of Hanna's Daughters, Simon's Family, and Two Women. She died in 2007."
