In this enormously insightful book, correspondent Ahmed Rashid brings the shadowy world of the Taliban, the world's most extreme and radical Islamic organization, into sharp focus. He explains the Taliban's rise to power, its impact on Afghanistan and the region, its role in oil and gas company decisions, and the effects of changing American attitudes toward the Taliban. He also describes the new face of Islamic fundamentalism and explains why Afghanistan has become the world center for international terrorism.

He explains the taliban s rise to power its impact on afghanistan and the region its role in oil and gas pany decisions and the effects of changing american attitudes toward the taliban he also describes the new face of islamic fundamentalism and expla

Out of this conflict which was to claim 1 5 million afghan lives and only end when soviet troops withdrew from afghanistan in 1989 would emerge a second generation of mujaheddin who called themselves taliban or the students of islam ahmed, his book taliban islam oil and the new great game in central asia gives a very fresh and factual account of a country in collapse and a potentially explosive region despite its economic backward, he explains the taliban s rise to power its impact on afghanistan and the region its role in oil and gas pany decisions and the effects of changing american attitudes toward the taliban he also describes the new face of islamic fundamentalism and expla.
