“Edgy and honest, Faking Perfect is the real thing.” –Huntley Fitzpatrick
When Lexi Shaw seduced Oakfield High's resident bad boy Tyler Flynn at the beginning of senior year, he seemed perfectly okay with her rules:
1. Avoid her at school.
2. Keep his mouth shut about what they do together.
3. Never tease her about her friend (and unrequited crush) Ben.
Because with his integrity and values and golden boy looks, Ben can never find out about what she's been doing behind closed doors with Tyler. Or that her mom's too busy drinking and chasing losers to pay the bills. Or that Lexi's dad hasn't been a part of her life for the last thirteen years. But with Tyler suddenly breaking the rules, Ben asking her out, and her dad back in the picture, how long will she be able to go on faking perfect?
