Those who doubt will fail. Something evil is loose in Mount Eredren, and it's determined to keep Sarn away from the enchanted forest and the menace destroying it. This time, Ghost Bear can't save him. Neither can the Queen of All Trees because she's locked in a deadly duel with a foe that's beyond her power to stop. With his son by his side, Sarn must face down a legendary evil with only a ragtag bunch of reluctant magical constructs at his side. If he fails, Shayari will fall, and the Adversary will add an unstoppable monster to his ranks. But doubts assail Sarn. He's not sure he's the hero their world needs. And if he became that man, would he still be the father his son needs? In a world where magic is powered by belief, such doubts can have lethal consequences. One will rise, and one will fall. Find out who in Curse Breaker: Falls. Curse Breaker: Falls is the action-packed sequel to Curse Breaker: Faceted.
