"Reseña del editor In this dead-on parody of a children's classic, a very hungry zombie eats his way through a variety of his favorite foods, including clowns, astronauts, rock stars, and brains. With vivid, playful art and amusing text, this book will appeal to picture-book lovers of all ages. Adults will catch its slightly demented humor. Older kids who grew up on classic board books will love the fun of the parody. And because the art leans toward humor rather than truly graphic grossness, a new generation of little ones may just grow up loving a creepy zombie whose gluttony earns him a bellyache. Biografía del autor Jonathan Apple is an artist and illustrator.
