Fur and fiction combine in this retelling of Charles Dickens's most famous novel, adorably adapted with an all-star cast of guinea pigs. In the misery of a workhouse, a poor, fluffy little orphan called Oliver Twist is fed on nothing but thin air and even thinner gruel. By squeaking a fateful question - 'Please, sir, I want some more' - he unwittingly sparks a series of events that lead him to the smoke and grime of the big city, where he encounters a host of four-legged friends and foes such as the crafty Fagin, mischievous Artful Dodger, faithful Nancy and treacherous Bill Sikes, who sweep young Oliver off of his paws and into the underworld of Victorian London.
