"Über den Autor und weitere Mitwirkende Jim Moody is the Head of the Technical Theatre Program, Technical Director, and Lighting Designer for The Theatre Academy at Los Angeles City College (A Professional Conservatory Program). Considered one of the founders of concert lighting he received the first Concert Lighting Designer of the Year Award from Performance magazine in 1980. Active also in television, his work has been recognized with two Emmy nominations and one team award. Paul Dexter has been the lighting and set designer for such concerts and concert tours as Rick James, Motley Crue, DIO, Ozzy Osbourne, and Elton John, Paul McCartney, and Rod Stewart. Paul is president of his own design firm, Masterworks Design, Inc. His recent activities include touring the world with REO Speedwagon as production and lighting designer, production designer for Heaven & Hell and architectural lighting designer for Activision Motion Capture Studios."

Placing an emphasis on rock and roll concert lighting equipment and techniques this book is a real life look at what a lighting designer does from fighting for contracts to designing a show it also devotes chapters to cross media use of concert lighting techn
