Se qualcuno dice che gli indovinelli sono solo un passatempo, non credergli: al contrario, sono un modo per allenare il cervello divertendosi! Indovinelli, colmi e rompicapo, niente di meglio per passare qualche ora in compagnia: con questo libro potrai mettere alla prova i tuoi amici sugli argomenti più disparati, dalle lettere dell'alfabeto al mondo degli animali, dal nome degli oggetti alle storie dei grandi personaggi, e poi piante, fiori e frutta, il tempo e le stagioni. Una divertente selezione per divertirsi aguzzando l'ingegno, stimolando il ragionamento e le associazioni di idee. Età di lettura: da 8 anni.
