"Pressestimmen 'Christine Porath covers major issue facing businesses and society today. In MASTERING CIVILITY, learn what incivility is costing leaders and organizations and what to do about it. Along with being a fascinating read, this book offers the key to a healthier, happier, more productive workplace, better customer relationships, and higher profits.'? **Marshall Goldsmith, the Thinkers50 #1 Leadership Thinker in the World** In her important new book, Christine Porath incisively explores the epidemic of incivility that has infected our workplaces and lives. But rather than simply decry the disease, Porath offers bright, brilliant suggestions for a cure. For anyone troubled by our current culture of coarseness-and that should be all of us-MASTERING CIVILITY is the right book at the

right time. It is a must read for every leader in every field.'? **Daniel H. Pink, New York Times bestselling author of Drive and To Sell is Human**' Backed up with real science and compelling stories, MASTERING CIVILITY powerfully illuminates why the smallest behaviors have the biggest effects on relationships, teams, and entire companies. Even better, Dr. Porath provides practical, proven steps to diagnosing yourself and your environment and a roadmap to building a better workplace, and a better you.'? **Laszlo Bock, Senior Vice President of People Operations at Google, and New York Times bestselling author of Work Rules!** If you see rude people at work, this book is for you. Christine Porath shows that even just being near incivility is enough to shatter your focus and stifle your success, and offers practical insights for creating more humane organizations.'? **Adam Grant, New York Times bestselling author of Originals and Give and Take**' A brilliant, well-researched playbook on civility. Mastering these concepts is now far more essential in a networked world.'? **Tom Gardner, Founder/CEO of Motley Fool**' MASTERING CIVILITY is the most useful, well-written, and emotionally compelling business book I've read in years. I couldn't put it down. Porath blends uncommon commonsense, rigorous research, and terrible and wonderful stories to show what YOU can do to build and bolster a civilized and sane workplace.'? **Robert I Sutton, Stanford Professor and author of The No Asshole Rule**' Christine Porath makes a compelling case for mastering civility, and offers immediately actionable steps for infusing more of it into our work and lives.'? **Ed Lawler, Distinguished Professor at University of Southern California, and Director of the Center for Effective Organizations**' Research-based, filled with practical suggestions, summaries, and checklists, MASTERING CIVILITY offers the promise of reducing the enormous toll on both people and performance from bad behavior at work. Porath is passionate about creating more humane work environments, and has produced a profoundly insightful manifesto for doing so.'? **Jeffrey Pfeffer, Thomas D. Dee II Professor of Organizational Behavior at the Graduate School of Business, Stanford University and author of 14 books on power, leadership, and human**

**resource management** This book will arm readers with the tools they need to move from defeat to empowerment and prompt change in the workplace.'? **Publisher's Weekly** Werbetext From the leading authority on workplace incivility, Christine Porath, shows why it pays to be civil, and reveals just how to enhance effectiveness in the workplace and beyond by mastering civility. Über den Autor und weitere Mitwirkende Christine Porath is Associate Professor of Management at the McDonough School of Business at Georgetown University. Porath travels the world working with leading organizations such as Google and the International Monetary Fund to help them solve the vexing problem of incivility."
