"Pressestimmen 'Linda's technique is a light to see by.' Synopsis This book is written by one of today's most active and respected screenwriting gurus and is a collection of meditations for fine-tuning the script. Among the many subjects it discusses: working with non-traditional forms; maintaining a consistent and ongoing storyline; developing a personal cinematic style; finding a script's audience; keeping an audience's attention; developing subtexts; utilising psychology and philosophy; creating realism; polishing scenes; creating memorable dialogue."
