Nell'anno 2045, la realtà è un brutto posto. Gli unici momenti in cui Wade Watts riesce a sentirsi davvero vivo sono quelli che trascorre connesso a OASIS, il vasto universo virtuale dove gran parte dell'umanità passa le sue giornate. Quando l'eccentrico creatore di OASIS muore, un video diffonde una serie di complicati indovinelli basati sulla sua ossessione per la cultura pop del passato. Chiunque riuscirà a risolverli per primo erediterà la sua immensa fortuna - e il controllo di Oasis. Wade riesce a scovare il primo indizio, e subito si ritrova assediato da rivali pronti a uccidere pur di sottrargli ciò che gli spetta. La gara è cominciata - e vincere è l'unico modo per sopravvivere.
