'If you want to understand Nigeria's history in one succinct go, this is a very good choice.' Noo Saro-Wiwa Known as the African Giant, Nigeria's story is complex and often contradictory. How, despite the ravages of colonialism, civil war, ongoing economic disappointment and most recently the Boko Haram insurgency, has the country managed to stay together for a hundred years? Why, despite an abundance of oil, mineral and agricultural wealth, have so many of its people remained in poverty? These are the key questions explored by Richard Bourne in this remarkable and wide-ranging account of Nigeria's history, from its creation in 1914 to the historic 2015 elections and beyond. Featuring a wealth of original research and interviews, this is an essential insight into the shaping of a country where, despite the seemingly dashed optimism that was raised at independence, there still remains hope 'the Nigeria project' may still succeed.

Following a timeline of events in the history of nigeria professor falola a leading historian on nigeria and a distinguished africanist provides a readable coherent narrative that carefully integrates the past into the present to help the student and general reader understand t

This new look at nigeria traces the country s history from its pre colonial days as the home region to a number of distinct tribal powers through its definition by britain as a single nation in 1914 to the hopeful early days of independence after world war ii and the ongoing often tragic, the history of nigeria can be traced to settlers trading across the middle east and africa as early as 1100 bc numerous ancient african civilizations settled in the region that is known today as nigeria such as the kingdom of nri the benin empire and the oyo empire islam reached nigeria through the borno empire between 1068 ad and haus, first edition june 2017 nigeria history identity and change invites students to explore the history of africa s most populous country and the largest black country in the world while nigeria s importance as a global actor is clear .
