"Synopsis The authors of this title are top game designers and focus on creating games that are an involving, emotional experience for the gamer. Topics include integrating story into the game, writing the game script, putting together the game bible, creating the design document and working on original intellectual property versus working with licenses. Finally, there's complete information on how to present a visionary new idea to developers and publishers. This goes way beyond the basics. Über den Autor und weitere Mitwirkende **Flint Dille** is an American writer and game designer. He is best known for his animated work, including Transformers, G.I. Joe, and An American Tail: Fievel Goes West. He has also written for games, including The Chronicles of Riddick: Escape from Butcher Bay and Dead to Rights. He is the author with John Zuur Platten of The Ultimate Guide to Video Game Writing and Design. **John Zuur Platten** began his career at Universal Studios, working as a production coordinator on a number of series including Lassie and Harry and the Hendersons. He currently works in games and interactive media, and was the producer, lead designer, director, and writer for the Eidos video game Fear Effect. He lives in California."
